EVERYTHING **DiSC**
A Wiley Brand

Introducing the Everything DiSC® Manual. We're excited to introduce this comprehensive guide to the research, interpretation, history and theory behind the Everything DiSC suite of assessments. Everything DiSC solutions develop over one million people each year in areas such as communication, team building, and leadership. We believe that the better you understand our tools, the stronger an impact Everything DiSC can bring to you and your team.

Examine DiSC as it intersects with current psychological theory, case studies modeling the proper interpretation of the tool, and how it applies to gender, ethnicity, and education. This manual is an essential reference tool for anyone facilitating Everything DiSC products. **To get your copy, contact your Everything DiSC Authorized Partner today!**
