

2026-02-13 Notes for Life Skills Presenters

- **By next Thursday, 2/19, please confirm your technology and/or facility needs so that the school can plan accordingly. Please 'reply all' to this email so that Marilyn Largen and I both receive the information.**
- Attached is a 1-pager that will give you a sense for how the day will flow. Note that if you foresee wanting to arrive more than 30 minutes before the event start, please 'reply all' to this email with specifics.
- The second attachment is a map with a bird's eye view of campus, showing clearly where you should park. This lot is closest to the administration building where you will sign in.
- If you need any help with your material (or just want to bounce ideas off of someone), feel free to 'reply all' and we will strive to do so. You have previously received the name and description for your class and you may tailor your session as you see fit.
- Please feel free to share on social media about the event and your participation in it! Note, however, that neither student names nor photos showing student faces should be posted.
